“ Barry (Fuzzy) was a great father, husband and friend. He helped establish the Desert Storm Support Group while our sons were in the military and he became our youngest son's mentor while maintaining a local golf course. He loved to "Take those old records off the shelf" and listen to his favorite rock and roll. A religious man, he will now be in the arms of his savior. Our deepest sympathies to Mel and his family. “ Barry you were a friend, a brother, a jokester, and a comforter for me. You made me smile and laugh, you were always there if I needed you, even when it was something you didn't really want to do. I knew I could count on you and Melody. You will be missed very much but you gave a whole lot while here.

Love you sweet brother, Sheila
