“ I am sorry to hear of Ben's passing and would like to extend my sincere sympathy to Ruby, Gary, Lori, Craig, Blair, and all of the family. Ben's quiet, kind spirit made a deep impression on me many years ago when I was a guest at their home for several days. Sending my love and continued prayers. “ Visits to Ben and Ruby were choice experiences in my live. Ben was so kind, quiet but had his scheduled activities; favorite snack of peanut butter and honey., John Deere cleanup in their grove of trees, flowers by the walkway, the news. His spaghetti was so good. Between Ben and Ruby food was the finest. They raised a wonderful family of 3 sons and a daughter; these children and their spouses were awesome in the care they gave to Ben and the support to Ruby. The obituary picture is so very nice and matches exactly how I remember him. Blessings to my dear sister Ruby and to the family members. With Love, Evie

Hello, Tommy... yes! I used to comb your grandmother's hair out on your front porch just about every day, and dearly loved your Mom. I will be sure to call Mom's attention to your comments. It's great to hear from you, this is Ruby's daughter, Lori.
