“ *Whenever I was little me and my Pap went ice fishing, and I took his truck out of park and put it in drive when he was loading up the ice boat he ran up and put it in park and said why would you do that. and another one was me and him went fishing, and my hook got stuck in seaweed, and he was pulling it out and got the hook stuck in his finger And I was crying because I thought it was my fault and he was saying no it's not your fault*

Thankyou Jayda I hope you always remember these memories. Pap really was 1 of a kind but he did have a soft spot for the women in his life and loved you very much.

“ My favorite memory was when Pap took me ice 🧊 and made me had drill the hole. It took me forever and he tease me the whole time that all the 🐟 were going to be scared away by the time I was done. He ended up having to help me finish my hole and drilled 2 more. The ice was over 18 inches thick. Once we were finally set up in his fancy Shanty he fired up the heater and told me I was spoiled. Then he proceeded to skunk me. I missed over 20 fish that day and he said I ought to just turn my license in and hang up my pole. I'm going to miss you PAP! I'm excited that you are with Jesus, Ben and Josh! Love you 😊
