I am the other grandpa of 3 of Chuck's grandchildren. He was always kind and decent. I enjoyed his company on several holiday gatherings. He will be greatly missed.

Worked with Chuck for many years at Appleton. After Appleton shut down I would run into him at our little town grocery store. Before he was on social media I would keep him informed of all our fellow Appleton brothers and sisters that had passed away. He would say I don't like seeing you Tom you always have bad news. Was glad to see him about a month or so ago. Gave him a hug and told him to keep up the fight. Rest in peace my friend and brother!
