“ I am sorry to read about the death of your wife and mother. Please know Mike, Dayna and Mike that many people are holding you up in their prayers. Keep all the good memories and hold on to the thought that she is now pain free. When my wife died many people would keep reminding me that she no longer was suffering. In time, that thought did give me comfort. Take care know that you had the best of the best.

“ Our hearts are heavy with sorrow, and we weep, but we weep tears of joy. Diane has received the promise of the resurrection from her loving Savior. This she believed, and she was prepared. She knew her mother was waiting, and all of those who went before her. Blessings to you Mike, Dayna, Michael and your family.
