“ I was shocked and saddened to hear of Christine's passing. I met her when she was the HR director at the Ecumenical Retirement Community. She was such a nice lady, and we shared a love of cats. My condolences to all those who loved her.

“ Christine and I have known each other since high school. We shared a lot of good memories and not so good memories. We always found a way to laugh though when we were together. I cannot express how much I will miss her! I still have a cat that I got from her as a kitten. Christine always cared for the kittens from the start and would go out and hold them and kiss them everyday. The cat we got from her is so loving and affectionate and I know it was because of how caring she was with the kittens. I will be keeping the family in my prayers as I cannot imagine the hurt they are feeling. I will miss you Christine and loved you like a sister!
