Deborah Jean Beaston

So we fix our eyes not on what is seen, but on what is unseen, since what is seen is temporary, but what is unseen is eternal.

- 2 Corinthians 4:18

Deborah Jean (Kepner) Beaston , 66, of Blain Pa, passed away peacefully at home on November 7, 2020 after losing her battle with liver cancer. She is the daughter of Ralph Kepner and the late Dorothy Colyer Kepner. In addition to her father and his wife Gladys, she is also survived by her loving husband Edwin, daughter Elizabeth of Blain, Rowan, her faithful canine companion, one sister-in-law, two brothers-in-law and many cousins, nieces and nephews.

Deborah earned her Masters Degree in Education and retired after 37 years from Blain Elementary School as a first grade, kindergarten, and IST teacher. She was very proud of her career and was chosen for the "Who's Who" multiple times. She was also instrumental in initiating the Community Library of Western Perry County as well as establishing the Children's Tent at Shermans Valley Heritage Days. Being a Girl Scout Leader was something she found to be very rewarding. She spent 13 years operating the Tasty Treats Ice Cream Truck with her husband and daughter.

Deborah enjoyed being with friends and family. It was not uncommon for her to have large gatherings at her home where she could show her love for them with a meal. She believed being with others was the very best gift she could receive. Traveling, quilting, crafting with friends, reading, and being at the beach were some of her other favorite past-times. She was honored to have touched countless lives over the years through teaching and volunteering in the community. She felt every student was gifted and strived to help them with their gifts.

“ I knew Deb from school. She was kind, creative and hardworking. She always had a kind word for a fellow teacher and always proud of her "school kids". Unfortunately, I will not be able to attend her services due to covid, but I will be there in spirit.

“ Deb and I got to be very close friends over the past several years. She was a most compassionate, caring and giving person that I have ever encountered. We called each other Frister, a name Deb came up with, meaning friend/sister. She showered me and my family with many gifts, both material and emotionally and in many ways. She dearly loved her daughter, Beth and her doggie, Rowan as well as Ed. We both enjoyed quilting, reading, and cooking. I will miss her dearly, she was the best. She was truly committed to her family, friends and never, ever had a cross word about anyone. May she rest eternally in the arms of her Savior. Fly high, my sweet Frister, I love and miss you so much...
