

Deborah Ann Miller

June 4, 1949 - December 7, 2024

In loving memory of Deborah Ann Miller
June 4th 1949 - December 7th 2024.

We remember Deborah who was a dedicated daughter, sister, mother, grandmother, great grandmother, nurse and Captain in the US Army Reserve. Born in Kittanning PA and raised in Templeton PA by Sara Jane & Richard P Miller who both preceded her in their transition to Christ. She will be remembered by many through her love language of crocheted blankets. Births and Marriages alike were celebrated with Deborah's tangible expression of love.

From the Harrisburg State Hospital where she spent the majority of her time nursing to the King Fahad Hospital in Riyadh, Saudi Arabia where she was stationed while activated during Desert Storm, her kind heart was felt by everyone she encountered.

Her love of criminal drama was instilled in several grandchildren during their time with her.

Her sense of humor and razor wit was a constant source of smiles and the basis of many great memories.

She is deeply missed by her entire extended family including her sister, Valerie K

Steffy and Husband Brian Steffy, her sons William Henry Foster Jr and Mich David Foster, their spouses Carrie Elizabeth Foster and Courtney B Foster, 7 grandchildren, several great grandchildren, nephews, nieces and a cadre of others that know her as “Mom” or “Grandma” despite relationship
