“ *Dennis was a awesome brother! I will miss you so much, I have great memories of you in my head right now. I only wish that I could have taken you to breakfast one last time. I will miss talking to you about our family members that you talked about so much. Don't worry brother I will keep your memories alive as you did for our relatives that past away. I look forward to be seeing you again in the resurrection. I Love you and will miss you dearly!*
