“ We share in this time of grief, but also share in the love and memories of Dillen.

Our family trips over the years from New Hampshire to Pennsylvania built lifelong memories. These yearly Family gatherings of ours was time well spent and provided the opportunity for the family members to be reunited to one another.

I admired my sister Laurie's love for her Grandson, Dillen. She loved him substantially. Their relationship had an affectionate and respectful meaning.

A few cute memories about my Sister Laurie and a young Dillen at the time, was watching her feed him in his highchair.

Terry did very well convincing Dillen he was a Pirate because he took on the full character and Dillen loved it.

Dillen loved fishing, you would find him standing in the river, just like his father.

Words seem inadequate to express the sorrow felt by the loss of Dillen. My heart is with you in your time of sorrow.

Although no words can really help to ease the loss you bear, just know that you are very close in every thought and prayer.

With our love and deepest sympathy as we remember Dillen.
