“ I knew Mr. Wagner first as a teacher and coach at Tamaqua High School and I later worked for him when he served as Principal at Minersville High School. He was a wonderful, kind man and a fantastic mentor. Rhonda Jones Levy

“ Mr. Wagner was a kind principal. He showed by example what being a good human is all about. Years after I graduated he was never too busy to stop and talk when I would run into him in the grocery store. He will be so missed. I was blessed to know him.

“ I was saddened to hear of Mr. Wagner's passing. He was my 11th grade World Culture teacher at Tamaqua High and very grateful I was in his class. If it weren't for his open book tests, I probably wouldn't have passed the course! I remember him as a kind, wonderful man who had a great smile. He also coached the Blue Raiders to a league championship in baseball in 1970. Sending my sincere sympathy to everyone in the Wagner family. May God be with you all and give you His peace.
