What a wonderful Tribute to Eddie. Such a nice guy and always ready to jump in and try to catch you in a joke , just to keep it a Happy Place. He made his place in all our lives a time filled with learning, fun, and respect for others, Eddie wore many Hats in his life and I feel the Hat of Dad was his best, not just to his girls but to many in the Perry Assembly of The Rainbow Girls, many looked up to him and Brenda for their time in a life of COLORS that they learned alot about what they're lives should take them as they grew up and on onto their Adult lives ... His presence in so many lives will be greatly missed, but remember this He did what he did because he loved doing it, sharing his love of so many things made him Happy and and all around GREAT MAN... GOD BLESS YOU EDDIE TILL WE MEET AGAIN AMONG THE COLORS OF THE RAINBOW WITH OUR FATHER ABOVE... ...PRAYERS , MARY JANE STRAYER

“ *Brenda and Family We just returned from a family visit to learn of Ed's passing. We are so sorry that we did not get to the service today. We have so many memories through the years. Bob and Ed in the reserves as well as the Shrine. He was always to be counted upon to help out with so many things. We cherish the memory of his talent "pipping " Bob on as he made International Commander and as Potentate of Zembo. That was the thrill of our life and we thank Ed for making that moment even more special. Our heartfelt condolences go out to you and your family. To say Ed will be missed is such an understatement. He will not only be missed but his smile and friendship will always be remembered.*

“ My husband and I purchased the gas station at the end of town. Ed was so supportive of us and wanted to be the first customer. I can't remember how many times he stopped in on the first day just to check if we were open. His determination paid off!

Ed - Our community has big shoes to fill, to take care of all the things you were involved in and did. You are missed by many, including the Breakfast Club.

“ Ed was a great guy and wonderful neighbor. He was always helping someone either mowing or snow blowing or whatever needed to be done. I was away from home most of 2023 and he would get my mail for me. I had no clue I would be away for 10 months but he faithfully held my mail for my family to pick up. Thank you for all you did for the community, Ed. You will be missed.
