“ *To Joshua and family, I am deeply saddened to hear of Emily's passing. I shall never forget her spontaneous personality: It was either the Sept 2013 or Sept 2014 family gathering at Jaime Rowe's house when I was in the kitchen and Emily came to the kitchen window on the outside back deck-yelled BOO! She sure scarred me out of my skin! Too funny this memory is! RIP Emily and prayers to Joshua, her children and her family. She will be missed. Mr. T.J. Murray--- Mechanicsburg, PA*

“ *Em I can't believe it I just can't. You were my ride or die. I'm going to miss our Texts message and running into in random places. You always made sure everyone knew I was there lol you running across the room jumping in the air with your arms open just to get what you called a bob hug. God I'm going to miss that. You were taken way to soon. I'll always keep you in my memories and heart. Please watch over us until we meet again and I know when we meet you will be running and jumping to get that BOB hug. Rest In Peace my beautiful friend*
