I, Wanda Bookwalter, worked and got to know Frank at Specialty Bakers for 15 years. He worked on my ladyfingers line while I was the floor person. I remember a lot of us co-workers on his potato picker. After we had worked a long day at Specialty we picked rocks actually out of the potato conveyor. Frank had soda for us on all them long, hot days. He spoke highly of his children and grandchildren. I already bought beef off of him and would stop by once and awhile to just let him talk my ear off. He will be greatly missed by many. ❤️🙏😞 Sorry for the loss of a wonderful human being. This saying is for you Frank! "Make sure you keep them trays pulled back or we're gonna have a creamy mess!" Rest in Peace Frank til we meet again someday!🙏🚗

We are sorry for your loss of your father. Your father donated hundreds of pounds of potatoes he grew or purchased for the New Bloomfield Fire Company and Ladies Auxiliary for their events. Our prayers and thoughts are with you in your time of sorrow.

I am so sorry for your loss of a truly good, and very hard working man. My Dad, Barry Mutzabaugh, used to buy cattle from Frank for years. I remember well how much my Pap and Dad respected Frank, and they always spoke so highly of him.

I travel the short cut road almost daily, and loved seeing him on his tractor or tending the cows because you could tell he was living his best life enjoying every minute of doing what he loved to do. Every time I saw him it always brought back fond memories of my Dad and Pap who have both been gone for a long time. Memories of a slower time in life, riding along with my Dad or Pap in the cattle truck or listening to them talk to friends like Frankie. When I passed by Sunday morning I was concerned by what I saw, and later in the day was so sad to hear that he had passed. I will never drive by the farm without thinking warm thoughts of Frankie, my Dad and my Pap. My sincere condolences to your family. You are in my thoughts and prayers.
