Condolences to all of Reese's Family. I knew Reese my whole life and enjoyed the Tribute Video and seeing the life of a Great Man and True Friend! My fondest memories of Reese and I was when we would sit in the basement and make Turkey Calls for his dad listening to music and just having a great time! Also, seeing him come rolling into town in his Pinto Station Wagon!!!! Rest in peace my friend until we meet again!

“ *Reese brought joy and laughter to family gatherings. He was a tough competitor in poker; but his poker face could never hide a caring and fun loving heart. He will remain in our thoughts and prayers. Love, Bon and Rob.*

“ My condolences to the entire family. Reese and I worked together at LYDC. We also discovered that we probably met in our teens as both our dad's made turkey calls and attended events. Lots of fond memories!
