“ *Aunt Hilda was a very kind aunt to me even though I had not been around her much as I live in Texas. She kept in touch via email when she was able and had use of her "puter", as she affectionately called it. One way I always think of her is of her famous peanut butter fudge, it was wonderful. She made me a batch the last time I was in PA many years ago. Bonnie, Terri, and David, you had a great mom who lived a full life. My heart goes out to y'all. :)*
