Saddened to hear about Jack's passing. I remember he was one of the catchers on the Halifax town team & caught a lot of pitches from my dad "Sherry" Matter. He always had a smile on his face. My continued prayers for the family 🙏

“ After moving from the farm to Halifax between 7th & 8th grade, Jack and I became neighbors with just an alley between us. We grew up together from that point on - playing basketball, baseball, and football thru high school, and spending many hours swimming and boating on the Susquehanna. After time in the service and college we returned to Halifax, umpired little league, and played golf nearly weekend. We were good buddies and I will always remember the fun times we shared.

“ Living life and life responsibilities took me away from Central Penna for a few decades, so my memories of uncle Jack go back in time. I will remember him however for his hearty laugh and the few times we got to deer hunt together along with my dad and brother. Especially memorable was December 1985 when uncle Jack, my brother and I each harvested buck the same day. Till we all meet again in heaven by God's saving grace, prayers for comfort and peace are extended to Aunt Rosemary, her kids and grandkids.

“Dad, I love you and miss you. I am sad you are no longer with us, but relieved you are in Glory with God, Jesus, your mother, father, brother, and other loved ones. Your legacy of integrity and work ethic lives on in my siblings and I. All my love. Your son, David.

For many years my family and I enjoyed Jack and Rosemary's Christmas get-togethers at their farm. It was a chance to see my side of the family in PA since I now lived in NJ. The cousins could also reconnect, as well as my seeing my sisters and husbands. Jack and Rosemary were very welcoming and we enjoyed our visits very much. I also would visit in the Spring and enjoyed talking with Jack. He was always very helpful and knowledgeable. Long ago, he was the person who taught me how to drive my Volkswagon as it was a stick-shift. I'll miss his presence. May God bless him...
