“ Bop, I will miss you so very much. You were such an amazing grandpa and man. I will forever cherish all the trips to the race track and betting on horses with you when I was little. I will forever cherish dancing to you playing the accordion and keyboard. You were always so sweet, kind and generous to everyone you'd meet. I will think about you always. Give a hug to meem for me. Love you!

Shondell Guerrieri - September 07, 2022 at 03:11 PM

“ My family and I felt privileged to have met "Jim". He was full of of love,laughter and music. He had a kind word for everyone and loved his children. He will be missed.
