

Jason G. Mann

January 12, 1988 - September 11, 2024

Jason G. Mann, 36, of Elliottsburg, Pa, went to be with the Lord at his home on September 11, 2024. Born on January 12, 1988 in Washington D.C., he was the son of Charline (Baker) Williams of Elliottsburg.

Jason was a 2006 graduate of Golden Gate High School in Naples, FL. He did not have an easy life; he endured chronic medical conditions that rendered him disabled. Despite his ailments, Jason was a very caring, loving and tender man. As an introvert, he spent much of his time engaged in his love for online gaming. He had many friends and acquaintances that he met through gaming including a special friend, Kristopher Wiemann. Another special friend that he cared for deeply was Tyra Boisvert.

Jason enjoyed Rock & Roll music, movies and animals. He held a special place in his heart for black cats and red roses. Adopting a black cat or planting a single red rose in Jason's honor would be comforting to his family.

In addition to his mother Charline and her husband Allen Williams, Jason is survived by a sister Amanda C. Mann of FL., nephews: Timothy Robert Ciciora Jr., Tyler Michael Ciciora and Michael Paul Ramirez Jr.

He is preceded in death by his maternal grandparents, Lee Elbert Baker and Ledia J. Russ and paternal grandparents, Raymond A. Mann and Frances

Knight.

Burial will be private and held at the convenience of the family.

The Boyer Family is honored to handle arrangements for the Mann/Williams family.

“ *I only met Jason a couple of times, however I worked with his beautiful mom Charlee. Jason was polite and courteous. I know how Charlee loved and cared for Jason, revolving her life around his cares and needs. She spoke of him daily and you knew how much he meant to her. Now Jason is looking down over his family and is without illness and pain. If there can be any comfort in that. Losing a child is out of the order of life. I'm so very sorry for the loss of handsome Jason. I pray God give you peace and comfort through this difficult time and in the many days ahead.*
