“ Tom, I never met Jeanette but I had heard what a bright light she was from a mutual friend. I just recently was told she passed away. I remember seeing a photo of you and your darling daughter in the newspaper - you were watching a parade. It made me happy to see you together.

My heart breaks for you, for her mother, and all of her friends. I hope you are able to somehow find peace.

“ I worked with Jeanette since she started at Super Shoes, and we consider ourselves a little family there. Her smile and her presence could light up a room, and her presence is missed deeply every day. We grieve with Diana and the rest of the family on this tragic loss and thank you for sharing Jeanette with us. Praying for strength, peace, and love to all who miss her and loved her. Rest in peace, Jeanette.

“ It is with a heavy heart that I send my sincerest condolences to Jeanette's mother. She was a joy to work with. We were lucky to have her. I will and do miss her immensely. Her easy smile, quick wit and willingness to take on a challenge will not be forgotten. She will be in my heart always. I'm glad to have gotten the chance to have her in my life. Even though the time was way too short. I hope her family will take comfort in the knowledge she was loved and will be remembered. Always.

“ Jeanette was an amazing person, coworker and friend. Her laugh and smile were contagious. We both had a shared love for Panera Bread, Starbucks and baby yoda. I'm gonna miss seeing her at work every day. It won't be the same without her. I'm forever grateful for having the chance to know her, even if it was for a short time. Until we meet again. Rest easy, Jeanette.
