“ I will forever be grateful for Jeremy because he helped bring my son into this world. He was an amazing, caring person with a heart of gold. He made my son’s graduation/18th birthday party perfect by being there with his parents. He kept in touch with me through the years as my son grew up and continued even afterwards and that just shows the kind of person he was. He will forever be in our hearts and have a special place within us. May he rest in peace.
