“ *Uncle John and Aunt Ethel were always a blessing to visit when I'd come home to Perry County over the past 15 years. I'm pretty sure I've learned way more from them over the years: from the love of GOD, how to treat family no matter how they're treating you or others and the most of all how to love your partner no matter the ups & downs that you may endure.*
RIP Uncle John, I'll miss our visits when Linda and I would just show up for some great fellowship from you both! Prayers to all the family. Caroline McNaughton

“ I met John when I was helping with Landisburg Ambulance and he attended their meeting in early 1976. Several of us from Shermans Dale were helping as first aid personnel at Landisburg. John inspired us to form an ambulance association in Shermans Dale. We had many great times fund raising, attending training classes and running calls. John had devoted a lot of time to Shermans Dale Ambulance. We thank you for your devotion to the Shermans Dale Community.

John we will miss you.
