“ I remember Home and Kandy when they lived in Millerstown with their son Ian. My son Ross would visit Ian alot and I always said "Be good " before I left or dropped Ross off and Home would say "Aww that's no fun". Hoke loved Kandy and Ian with his whole being- they were his world and it was rocked big time when Kandy died years ago. Hoke came to live in the same apt building as my Daughter Rachel these last few years and he always waved and said a gruff hello, sometimes he would chat - it was always about Ian...many prayers and love to you Ian
