“ We are so sorry for your loss Dolores, Lori, Ken & your families. Barry was a very special person. He loved people and never found fault in anyone. He and Dolores were the first & friendliest people to greet us when we attended Cornerstone Christian Church. Barry knew everyone, & if he didn't know you, he made sure to get to know you. He always had a smile and a hug to give away ❤️ Barry's heartfelt hugs will be missed, but praise God, he suffers no longer. We will meet again one day, I'll be waiting for one of those Valentine hearts Barry. And please give my Momma a hug, & hang out with my Dad telling hunting stories ❤️. We love you brother 💙

“ Barry will be missed for sure. However he is finally home where he belongs, with his heavenly Father, Creator, and Savior. I will never forget the many hugs I have gotten every time I would see him. Didn't matter where I was, he always had a hug and a smile or laughing. Always happy. I will see you again soon with open arms. Love you Barry and Delores. Thank you for the wonderful memories. Dell

He loved me saying his name "Barry". I will miss his hugs. He and Dolores were our first friends when we arrived in Duncannon in 1999 the most loving sweet caring couple in the world Speaking of pool. He played me in a game the last time I visited. He sat down at the supper table and gave me some much needed advise. Then he told me very quietly he was so tired and ready to go home to see his Jesus. Rest in peace my dear friend. There will never be another like you. Tell Bill I love him
