

Kenneth E. Garman

June 14, 1943 - January 1, 2025

Kenneth E. Garman, 81, of New Bloomfield, passed away on Wednesday, January 1, 2025, at Penn State Health Holy Spirit Medical Center, Camp Hill. He was born June 14, 1943, in Harrisburg and was the son of the late Charles K. and Virginia (Burkepile) Garman.

He was a devoted father, grandfather and great grandfather; he spent countless hours attending all of their activities and events. He was the kindest, most generous, person you would ever meet. He never saw anyone as a "stranger" and never turned down a good breakfast. He was a member of Teamsters local 776 and a retired employee of Roadway Express. During hunting season he could be found at his cabin that he shared with his son Keith- he valued and cherished those times. In addition to his love of hunting, he had a passion for dirt track racing. For many years he and his brother Harry raced at Port Royal Speedway and started a family legacy of racing which spanned 4 generations. He took great pride in watching his son, Keith, nephew Shane and grandson Derick and was especially proud to see his great grandson Jaxton follow in his footsteps. He truly believed that Jaxton had that, "something special" and he was his greatest fan.

He was the widower of Dianne E. (Baker) Garman. She had been his wife for 44 years. Surviving is his significant other, Bernice Reich. A daughter, Charla Baum (Darren) and a son Keith Garman (Brenda). Grandchildren, Derick Garman (Stacy), Heather Twist, Patrick Bailor (Angie) Chantz Baum (Jessica). Great grandchildren, Jaxton Garman, Brynlee Garman and Wyatt Twist. He

was preceded in death by grandson, Chase Paul Baum.

He will be missed dearly by his family and friends.

A Celebration of Life will be held at a later date and posted as it is confirmed.

“ Ken you may be gone but you will never be forgotten. These lyrics speak from my heart. May you have eternal peace. Comfort to all who loved you.

*Every night in my dreams
I see you, I feel you,
That is how I know you go on*

*Far across the distance
And spaces between us
You have come to show you go on*

*Near, far, wherever you are
I believe that the heart does go on
Once more you open the door
And you're here in my heart
And my heart will go on and on*

*Love can touch us one time
And last for a lifetime
And never let go till we're gone*

*Love was when I loved you
One true time I hold to
In my life we'll always go on*

*Near, far, wherever you are
I believe that the heart does go on
Once more you open the door
And you're here in my heart
And my heart will go on and on*

*You're here, there's nothing I fear,
And I know that my heart will go on
We'll stay forever this way
You are safe in my heart*

And my heart will go on and on

“ *My life was better for having known Kenny. We had a lot of great times together. Many of my memories with him are private and will remain private. However, what I can share is this - Kenny was a kindhearted, sweet , and approachable man. Not a hurtful bone in his body.*

To have been part of his life was a blessing. I will carry you in my heart forever. I love you.

“ *I just saw on Facebook Kenny didn't want a service. Sounds like him. I feel the same way when my time comes. The picture of Kenny with the celebration of life announcement captures Kenny in more recent years. A truer picture of him in latter years. Although all are nice pictures.*

You will always be missed. Condolences to all who knew and loved him. Love ya Kenny!!!!

“ Kenny, rest in peace. You were always special to me; and I will always hold you dear to my heart. I hold nothing but the fondest memories of times spent alone with you, times watching you race, and times drinking a few with you. Condolences to your family.

“ I can remember the quiet times with Ken talking about racing, football, family , and friends. Speaking of Gary Wright, I can remember Ken saying he lost another good friend when Gary passed. Ken was a beautiful human being - inside and out. His kindness extended beyond family and friends. It went to animals like Utah. I can remember him taking that dog for truck rides. RIP Ken. Till we meet again.
