

Kenneth M. Landis

March 8, 1949 - December 30, 2023

In Loving Memory of Kenneth Michael Landis Sr., Ken, a devoted Marine veteran, husband, father, grandfather, and great-grandfather (to be), passed away unexpectedly December 30, 2023 at the age of 74, leaving a legacy of love, honor, and cherished memories.

At the heart of his life was his beloved family. Ken raised a beautiful family with his cherished wife Adele, sharing over 50 years of unwavering love and companionship. Together, they navigated the journey of life, building a home filled with warmth, laughter, and love. He is survived by his loving family - Kenneth Jr. his wife Diane and two children Dakota, and fiancée Gabrielle and Kourtney; Nicole and husband Scott and two children Mitchell and Morgan; Jeremy and wife Jennifer and three children Alexis, Mason, and Ayresman, and Uncle to many nieces and nephews.

Born on March 8th 1949, Ken served his country with bravery during the Vietnam War, embodying the spirit of the Marine Corps. His commitment to duty and his fellow soldiers left an indelible mark on those who served alongside him.

A proud father of three, Ken instilled values of resilience and responsibility in each of them. His seven grandchildren, who adored him, were the joy of his later years, and his legacy lives on in their hearts.

Ken's passions were as diverse as they were genuine. From his love for the rumble of Harley motorcycles to his cherished classic Chevy, he found joy in the simple pleasures of life. An avid hunter, he preferred the challenge of archery in pursuing white-tail and loved traveling to the Midwest to hunt elk showcasing his respect for nature and his skills as an outdoorsman.

In his wood shop, Ken crafted beautiful furniture, a testament to his creativity and dedication to his craft. His hands shaped not only wood but also the loving home he provided for his family.

Known for his humility and tireless work ethic, Ken was a man of few words but immense actions. He leaves behind a legacy of hard work, kindness, and the quiet strength that touched everyone fortunate enough to know him.

As we mourn the loss of Ken, let us celebrate a life well-lived, remembering the love he shared and the enduring impact he had on all who were blessed to be a part of his world.

May he rest in peace.

“ To the two sweetest people you’d ever meet. It’s sad to see you both go but I’m so happy to know you’re reunited again. We’ve been very blessed to have met you both, you made your mark on our lives along with so many others. May you both rest in peace with each other. I’ll miss shouting “hey” across the field and hearing your response back. Best neighbors a family could ask for. Pictures are from 2016/2017

“ Ken was in my life all too briefly. A few things I know: he certainly loved his family. It made him happy to have Scott help with loading wood; he loved hanging out in a deer stand; he hated his job at the Y, but loved his co-workers; he would drop everything when Kenny called; he loved working in his wood shop, 'better than sex' cake, but more than anything, Adele.

I will miss you dearly, my friend. - Carol
