“ *Kristen was one of the sweetest empathic people I know! I had the pleasure of having her do my hair for years and she did all the hair for my daughter's wedding. I can't put into words how tragic this is and or what a terrible loss. I just can't make sense of this horrible tragedy. We had just spoken recently and she had plans to move to Florida. My heart hurts for the boys and all the family.... Rest easy my friend you will be missed... Love you*

One of the most warm and caring people I've ever met, I know you will be ever present in their lives. Peace and prayers for you all 🙏*
