“ Kitty, I am so sorry for your loss. Your mom was a wonderful woman. I will always remember how much she loved to sew and how her face would just light up with joy when she would show me the gifts she was making for others. She had the greatest smile and loved the Lord and her family so much. I will be praying that you and your family find comfort in all your memories of her and the life that she lived. She will be greatly missed.
