“ I lost my mom when I was 15, I got another mom when I was 17. I don't know why but mom would let Joyce do just about anything as long as she was with me 🥰. One of my favorite memories of her was a trip to Aberdeen when she road with Jon in the front of my truck and me and Joyce road in the back. I have a picture of her and Jon going through the stream in the dune buggy. Love you mom.
