

Michael Eugene Stover

July 11, 1949 - October 5, 2025

Michael Eugene Stover, 76, of Pace, Florida and formerly of Newport, passed away under the loving watch of his wife, Salyn.

Michael was born on July 11, 1949, in Lebanon, Pa. He was the son of the late George A. and Helen (Knoll) Stover. He was preceded in death by sisters, Bonita (Stover) Powell and Kathleen (Stover) Eshleman and a brother, Richard R. Stover.

Michael spent most of his life in Pennsylvania where he enjoyed the many opportunities for hunting and fishing, which were his passions. He was a licensed professional civil engineer with 45 years of experience to the people of Pennsylvania in the fields of flood control, dam safety, stormwater management and erosion control. Only the advent of diminished health due to contracting Lyme Disease would ever force him to leave his beloved wooded mountains and streams of Pennsylvania. But he was rewarded in his relocation by the warm climate and hospitality of the people of the Florida panhandle.

Burial will be in Newport Cemetery.

The Boyer Family is honored to handle the arrangements for the Stover Family.

“ We were so saddened to hear of Mike’s passing. We enjoyed many lunches at either McGuires , Peg Legs and game nights at their home. He any Salyn are special people, and he will be sorely missed. His bless their family, hugs to Salyn . We pray for this incredible loss to get easier and turn into a smile in the amazing memories .

“ I had the privilege of meeting Mike shortly after he and Salyn moved to the area. It didn't take long to learn of Mike's loved of the outdoors. I enjoyed reading his book "What a Hoot". The guy loved to hunt!
My wife, Sue and I enjoyed many a game night with Mike and Salyn. Sue and I have a habit of getting a little competitive and cutting up during the games. Mike got a kick out of watching us carry on.
I'll miss the time conversing with Mike. Sue and I will miss our friend
