“ Penny was a radiant loving baby. She kept her heart of gold throughout her life. Penny was caring and nurturing to all her family. She had a great sense of humor and loved to laugh. To me, Penny was happiest and most at ease with a baby in one arm while stirring a pot with the other. Family was everything to Penny. I am sure she will be welcomed by all our loved ones already in Heaven. Godspeed, sweetheart...Love is everlasting. I will be seeing you. Thank you for being such a good and loving niece. Aunt 'Dod”

“ Sending my Prayers and condolences for Penny's family during this difficult time. I went to school with her but haven't seen her since. I had the opportunity to meet her son about a year ago and was happy to see what a beautiful job she did raising him. Sincerely Jackie Sellers-Mills.

“ *Stacey, I was so sorry to hear of Penny's passing. I'd hoped to see her in person again, but at least we were in touch on Facebook. No doubt your sassy little sister left a ton of fun memories behind. I hope they sneak up on you right when you need it.*
