“ I will always cherish Book being my neighbor. I would tell him I'd always shovel his sidewalk of snow as long as I could. I cherish all our talks and driving past his house on way to mine and he would wave and I'd wave back. See you soon Mr Book

“ My three kids and I became Ronald's neighbors in early 2023. I always felt bad that we were loud and interrupted his peacefulness. We had a lot of short talks. During those talks I learned a-lot about the railroad and turtles. He enjoyed watching my daughter's tortoise take walks and graze in our backyards. I will miss sitting on his back porch talking about whatever it was we were thinking about until the bats came out and Ronald would go in. Grateful for the memories my kids and I will have of being Ronald's neighbor for much too short of a time.
