“ Lucy, you have my deepest sympathy. I have so many good memories of our days as neighbors. Running all our errands together, making six quilts in probably three months, being Ron's pest control helper, playing cards and so much more. You, Steve and your family are in my thoughts and our prayers.

“ Oh yes, Deb! I have those same memories and I will never forget them! Those were the days. I remember you had me laughing so hard my sides ached! Remember our trips to Thelma and Emerson's? They are both gone now, too.
I love you, Deb, and will always treasure the memories of those wonderful years!

“ Lucy and family so sorry for your loss in the obituary you wrote Ronnie to be fair and friendly, that was such a true statement, we live on a farm around the Newton area and Mr. Fleener sprayed our buildings at the time my son was in kindergarten and loved to be outside helping when your husband sprayed the buildings once my son got off the bus he was outside helping Ron find the lights and helping whatever way he could, when the bill came Ron had put a note in the bill to thank Scott for all he had done and put a small token of money in the envelope for his help. What a happy boy, he still continues to work on this farm that was 30 years ago great memories. He was a good man and we appreciated his services just wanted to share with the family.
