“ Sam was a great man! He helped my family at our farm as our excavator multiple times. I would not have the business I have today without his help. He also always had great stories and I considered him more my friend than a contractor. My condolences to his family.

“ Don and I were talking and we said that if God were going to make a close to perfect man it would be Sam. A hard working, honest, man who takes care of his family, loves and honors his wife and wasn't hard to look at. It is an honor to know him.

“ Sam, I'll never forget how you taught me to test drive a car. Fast & furious, the way I was going to drive it. I have scared many car salesmen that went along with the test drive through the years. That advice never disappointed me. I will miss you. Jul (Bubbles).

“ Oh, Sam, you were such a great person. I will always remember your patiently listening to my many crazy excavation schemes over a cup of coffee. You would frequently respond with, “Woman...ya can't fight Mother Nature.”

Yet you would always figure out a way to provide us with what was needed. You taught us a lot and we both very much enjoyed working with you. Our prayers for your family you love so dearly.
