“ *"I worked with Sharon many years ago, when she worked part-time at JC Penney, in the Harrisburg East Mall. She was a friendly co-worker and a joy to work with. After I left JC Penney, I would come back to the Mall to speak with her. This was between 1991 & 1993. I was saddened to hear that she had passed away, but I am glad she is no longer in pain. I will always remember her respect for other human beings, her dignity and her humanity. I will certainly miss all of the laughs that she and I had together, at JC Penney. RIP Sharon. I am grateful that I met you and grateful that I had the chance to know you."*
