Vivian A. Beaston

So we fix our eyes not on what is seen, but on what is unseen, since what is seen is temporary, but what is unseen is eternal.

“ *What a wonderful & courageous lady. She was a patient in the Harrisburg Hospital when I worked in Physical Therapy with her after an auto accident.
Blessing to her family.*

“ *Vivian was my daughter Crystals brownie leader. I remember her very well from the swimming pool, and the fire company carnival. She had to be the most patient women on earth. She had husband who in my opinion was Mr. New Bloomfield., and Vivian I am almost sure waited many suppers for him to get home from a volunteer job. She had to be a super mom to raise two children that were as outstanding as Nat. and Cindy. I want to be at the service to pay my respects for this outstanding citizen of New Bloomfield but some illness that I have had in the past 2 years the family has advised me not to. I know the children and grandchildren with miss her very much. With deep respect and sympathy from a former citizen of town Dave Magee*

“ Aunt Biz was a lovely person. I have very fond memories of her and my Uncle Dale. She cared deeply and was like a sister to my mom, Treva. While her life was plagued with physical problems, it never dampened her cheerful nature and sunny spirit. She was an inspiration to all who knew her. She will be missed.
